- Tony Lakis          898-4706
  - [tonyl@salemnhcitizencorps.org](mailto:tonyl@salemnhcitizencorps.org)

## The Family Disaster Plan includes:

- Knowing the protective measures for specific hazards
- Recognizing warning systems and signals
- Evacuating from a disaster area
- Incorporating community, school, and other plans
- Identifying escape routes

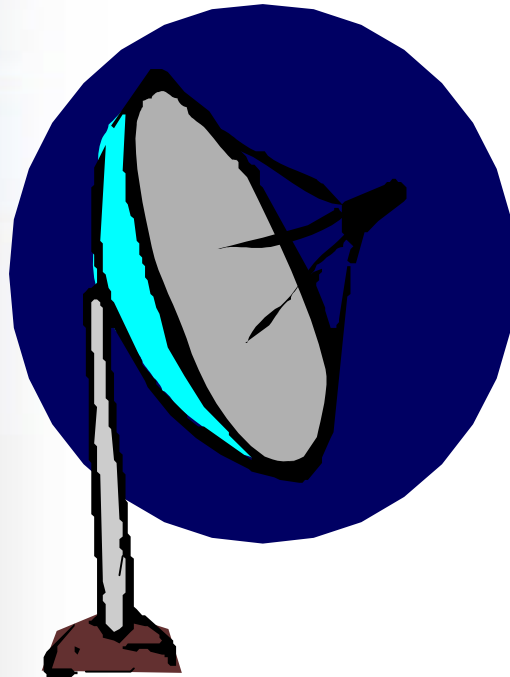

## The Family Disaster Plan includes:

- Completing a family communications plan
- Shutting off utilities
- Obtaining appropriate insurance
- Preparing for special needs
- Caring for animals
- Learning safety skills

# Warning Systems

- Emergency Alert System (EAS)
- NOAA Weather Radio
- Community TV
- Reverse 911

# Evacuation

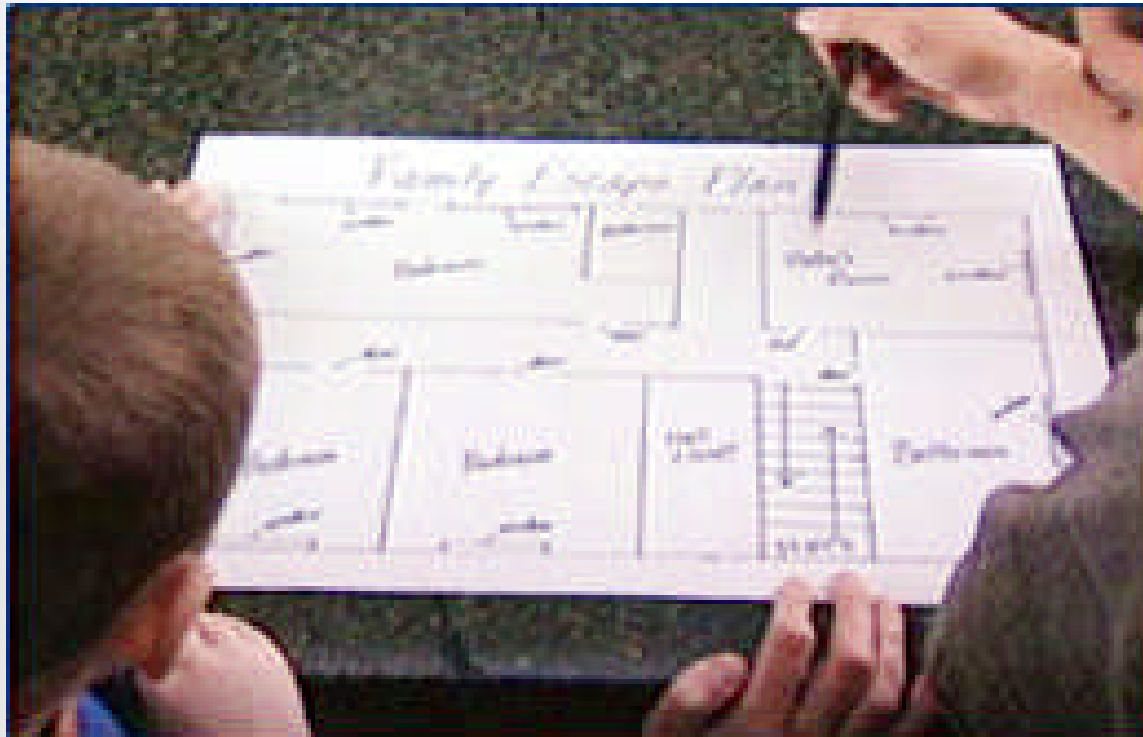

## Community, School, and Other Plans

- Salem has a disaster/emergency plan
  - What does the plan contain?
  - How often is it updated?
  - What should I know about the plan?
  - What hazard(s) does it cover?

# Escape Routes

# Family Communications Plan

- Out-of-state contacts
- Vital information about each family member
- Where to go in an emergency
- Additional information

# Shutting Off Utilities

- Natural Gas
- Water
- Electricity

## Insurance and Property Records

- Photos, videos
- Inventory
- Insurance
- Safe storage of important documents

# Preparing for Special Needs

See Pg 28

## Caring for Animals

- Identify shelter for pets
- Gather pet supplies
- Ensure pet has proper ID and up-to-date veterinarian records
- Provide a pet carrier and leash

## Pet Provisions

Before an event occurs:

- Provide a pet carrier
- Keep pet's shots current and have copies of medical records
- Ensure you have a properly fitted collar and ID
- Gather pet emergency supplies

# Safety Skills

- First Aid
- CPR
- Fire Extinguisher types and use

# Homework Assignment

- Develop Family Disaster Plan
  - Communication Plan and completed cards
  - Escape routes
  - Meeting places
  - Utility Shut-offs
  - Vital Records
